73 home sales in bayberry since Feb 2018 and gave out > 60 packets

House in Riverine and people haven't lived there in a while and trees falling in yard. They seem to maintain lawn nicely for the most part.

Someone mentioned having a neighboring house sold 4 times this year and homeland security was there recently.

Elizabeth brought to Judy's attention that perhaps all residents should pay dues if they want to advertise for the garage sale. We'll leave it as is instead of asking people to pay for advertisements.

Santa Report: Bob: 40 homes, 103 kids, 3 firetrucks involved. Bob has this report to refer to. 9 people paid dues during Santa drop offs. 1 tree was decorated very nicely.

Decorating contest: Stacey S.: they were short 1 judge. Get report from her.
Kyle gave Stacey the check for \$75 for prizes

Xmas Tree Lighting Report: 2nd Annual: Kevin H.

New Business: Kevin H. Christ the King has an event on January 20th. At 9:30 and 11:30 am, they want people with businesses or volunteer organizations to use a table to advertise their organizations. Kevin has offered to represent the BCA at a table that day. Judy will bring all of the house plans to the event, the BCA banner, and a computer to show BCA information to anyone that attends. Will include volunteer list.

E-newsletters: Kyle will start a committee to discuss pros and cons of switching to this instead of paper newsletters

- color
- no limit on size
- sponsorship can be advertised more regularly (maybe 2x per month beyond newsletters themselves)
- cost savings
- free up area reps for other more fruitful interactions with the community members
- small neighborhood gatherings

Newsletter:

- Elizabeth, gets people involved to start in the BCA, she doesn't like collecting dues and just wants newsletter deliveries to continue and to focus on
- Mike Banks, Sherry Banks, Elizabeth, Kristine.
