## President's Corner

### Paper Copies of Newsletter Are Available

Along with our transition to a digital newsletter, we have printed a small number of paper copies for those that are unable to view the content online or wish to continue reading a paper version. We have set up stands at a few locations (Antonio's, Kinney's, Bagelicious, Tiny Bubbles, and Dr. Barth's Office), however, they may be closed or have limited hours due to COVID-19. In addition, Judy McVity will have copies on hand (315-652-6093). We plan to have additional locations available at a later date.

### Property Upkeep and Town of Clay Codes

As yard work season quickly approaches, we want to remind neighbors of the Town of Clay Codes regarding rubbish and overgrowth. From the Town of Clay website:

- It shall be a violation of this chapter for the owner of any real property in the Town of Clay to permit, maintain, deposit or scatter rubbish over any premises.
- It shall be a violation of this chapter for the owner of any real property to permit or maintain on any such lot or land, inclusive of the land between the curblin and lot line, any growth of brush, grass, or weeds, higher than 10 inches.

For more information or to review the Town of Clay Codes, visit:

# Earth Day Litter Clean-up Cancelled But YOU CAN STILL HELP!

Due to the ongoing COVID-19 pandemic, OCRRA has canceled its 2020 Earth Day Litter Clean-up event. In accordance, the BCA will also cancel its planned Bayberry Area Cleanup previously scheduled for Saturday, April 25th in order to comply with current group event and social distancing regulations. Unfortunately, our Winter season's accumulation of litter will not disappear on its own. We can only suggest that those residents who participate in an occasional neighborhood fresh air walkabout, bring a litter bag to pick up small litter items for disposal with your weekly home trash pickup. Hopefully, over time, we can collect as much litter as we do in our annual three hour event.

Please stay safe and healthy during this trying time!

## BCA Spring Garage Sale!

Looking to sell your unwanted items? Then start cleaning out your closets and basements because it's time for another BCA garage sale! Our community-wide Spring Garage Sale will be held from 9 a.m. to 5 p.m. Saturday, May 16. We will post a list of participating homes on our website and social media pages the weekend prior to the event.

If you would like your listing to be included, email your address and a short description to [bayberrynews@gmail.com](mailto:bayberrynews@gmail.com) by Friday, May 8.

## Child Car Seat Safety Inspection

The annual Child Car Seat Safety inspection will be held on Saturday, June 20 9 a.m. to 1 p.m. at the Bayberry Plaza parking lot. The Onondaga County Sheriff's Department will again come out and check car seats to make sure that they were properly installed and make sure that the safety seat isn't expired.

If possible, please bring the owner's manuals for the car seat and your vehicle. These two sources of reference aid the Sheriff's Department with making the inspection flow smoothly and in a timely manner.

**PLEASE NOTE THAT THE CUT OFF TIME  
FOR THE LAST INSPECTION IS 12:30 P.M.**

## Upcoming Event Disclaimer

**We will keep you up to  
date on the status of  
events as needed based  
on the current COVID-19  
recommendations.**

## Bayberry Couple Lend A Hand

Isaac Budman and Stephanie Keefe are making face shields using 3D printers for health care workers on the front lines of the fight against COVID-19. Many people have downloaded the FREE template and instructions the couple created to make the shields using 3D printers.

Last week U.S. Representative, John Katko picked up 360 face shields from the couple for delivery to healthcare workers.
