Newsletter Transition

The BCA newsletter is now digital! New editions, as well as newsletters from the past few years, can be found on our website at bayberrycommunity.org/newsletters. Each month, we will announce on our social media pages (Facebook, Nextdoor, Twitter) that the newsletter is ready for viewing and include a link for easy access. In addition, a limited number of printed copies will be available locally at Dunkin Donuts, Antonio's, Bayberry Hairstylists, Dr. Barth's Dental Office, and China Wong. Judy McVity will also have copies on hand (315-652-6093).

Potholes and Cracks? Report Winter Road Damage!

Now that the weather is warming, we are asking residents to report any damage along their roads or within the community. Please submit pictures along with the exact location or street address to Judy McVity (315-652-6093) or to the Highway Department (315-652-3800 x124). Thank you for your help in keeping Bayberry beautiful for everyone!

Possible Scam Alert

Recently, a neighbor called to inform me that a couple came to her door claiming to sell electricity. They showed her a permit from the Town of Clay, but when she called the Town office, she was informed that that permit was revoked! The person from the Town told the neighbor to call the Sheriff's office to report the incident.

Liverpool Central Schools Education 2020 Initiative

At the February Board of Education meeting, Superintendent of Schools Dr. Mark Potter presented his Education 2020 Initiative recommendations for the board's consideration. These recommendations will allow the district to take part in innovative opportunities based on staff and community values, while allowing the district to maximize facility efficiencies and increase student resources and staff collaboration. These proposals are also based on declining enrollment in the district.

The recommendations could include:

- close one elementary school
- close district office located in Bayberry and possibly move it to the high school
- create (4) K-2 schools
- create (4) campus schools (3-8)
- create one (9-12) high school (to include former Wetzel Road Elementary for career/technical programs)

The BCA has scheduled an informational meeting at the District Office on Blackberry Road in Bayberry for Wednesday, March 25th at 6:30. We encourage residents who have children in the district to attend this meeting. In fact, even if you don't have children in the district, this information is important, as what the school district does affects property values.

You can also read about this initiative on their website: liverpool.k12.ny.us.

If you have any questions about the meeting, contact Debbie Countryman at (315) 652-5309 or Mary Eidt at (315) 652-8610.
