BAYBERRY COMMUNITY ASSOCIATION, INC.

## In Memoriam

On May 14, Larry Seguin passed away. It was a great loss to Bayberry and anyone who ever knew him. For over a decade, Larry participated in nearly every BCA event and activity, doing nearly anything asked of him. He had a kind word for nearly every person he dealt with and was extremely polite. He delivered newsletters well beyond his area, collected dues all around Bayberry, and on more than one occasion paid dues for those in the military service who were deployed or retired. Larry was an avid golfer, playing whenever he could, the "head honcho" at the Farm Antique & Flea Market in Brewerton for years, and never said "no" for a sit down at Dunkin'. He was, in a few words, generous to a fault. He is greatly missed and we offer our thoughts and prayers to Gwen and family.

## TO THE BAYBERRY COMMUNITY

It is a tremendous honor to serve as the incoming President of your Bayberry Community Association. I am a lifelong resident of the Liverpool area and moved to Bayberry in July of 2018. I consider myself lucky to be surrounded by such incredible neighbors as part of a historic and vibrant community. Our lives are enhanced by the tremendous variety of great, local businesses in and around Bayberry Plaza, many of whom serve as sponsors of our organization.

In this role, my goals will be to help enhance the lives of our residents and strengthen our community. I want to work with the rest of our members to connect and collaborate with you in new and exciting ways. I would love to hear your ideas regarding events, and what types of efforts or initiatives appeal to you. We are currently developing an online survey that will enable us to collect this information from the community, and we would love to hear from all our residents and businesses. Please keep an eye on social media (Facebook, Nextdoor) for this survey soon. We also meet regularly throughout the year, and I invite you to join us in helping steer the direction of the Bayberry Community Association.

I hope you and yours enjoy a safe and relaxing summer. Please do not hesitate to contact me directly should you ever need anything via e-mail at [beckemia@alumni.lemoyne.edu](mailto:beckemia@alumni.lemoyne.edu).

Thank you,  
Michael Becker

The Town of Clay Brush Collection began on March 17 and will continue every Tuesday until December 8. Brush includes leaves, grass clippings, shrub cuttings, small branches and twigs, and must be placed in rigid plastic or metal containers. Biodegradable lawn bags are acceptable, if kept dry and intact. Place all containers outside of road pavement and gutters so as not to obstruct traffic or block drainage. Plastic bags are not acceptable either inside or outside of any containers. For more information, visit: [www.townofclay.org](http://www.townofclay.org)

## Paper Copies of Newsletter Available

Along with our transition to a digital newsletter, we have printed a small number of paper copies for those that are unable to view the content online or wish to continue reading a paper version. We have set up stands at a few locations (Antonio's, Kinney's, Bagelicious, Tiny Bubbles, and Dr. Barth's Office), however, they may be closed or have limited hours due to COVID-19. In addition, Judy McVity will have copies on hand (315-652-6093). We plan to have additional locations available at a later date.

## Looking Back into Bayberry History

### 1956 Bayberry Wins Award for Housing Progress

From The Historian

CLAY – One of the building industry's most coveted prizes, the House & Home Magazine 1956 award of merit, has been given to the builders of Bayberry Communities "in recognition of their outstanding contribution to housing progress."

Bayberry Properties, Inc. is slated to begin construction this spring of 1,200 homes, a shopping center, sewage treatment plant, three swimming pools and its own sewage and water system on several hundred acres it owns in the town of Clay.

Announcement of the award was made by Perry I. Prentice, editor and publisher of House & Home Magazine. The award, for residential design and construction, was made at the convention of the National Assn. of Home Builders in Chicago last week.

The magazine cited the Bayberry "House for Family Living" in its survey of homes that are setting "a new standard of design and a new standard of living ability far above anything previously available to the average family."

The acclamation of Bayberry planning and design follows closely after a recent eight-page full color article in the Woman's Home Companion. Other recent awards presented to Bayberry include the Mayfair magazine "House of the Year" presentation, as well as citations in other national publications.

C. Ellis Schiffmacher, board chairman of Bayberry, says that "the planning of the Bayberry community in the Syracuse area indicates it will be the most beautiful community we have ever built. I know that when we begin our homes there this spring they will achieve both national and local acclaim for value and imagination."
