BAYBERRY COMMUNITY ASSOCIATION, INC.

TAKE A MINUTE AND WIN!!

As the world around us changes and new neighbors move into the area, your Bayberry Community Association is also evolving. We are currently brainstorming ideas on the best direction for that change, and we are interested in your thoughts and opinions on how we can best improve our community and the quality of life of its residents.

Our volunteers work diligently throughout the year to plan and provide great events for everyone to enjoy. We would appreciate a few minutes of your time to provide your ideas on where we should focus our efforts in the future. Please note that we will plan any in-person events or meetings at the appropriate time with health and safety of our residents being our primary concern.

This survey will take less than five minutes to complete, and a response with your valid e-mail address will enter you into a drawing for a \$25 DUNKIN DONUTS GIFT CARD! Copy and paste or click on the link below or scan the QR code below:

DO YOU LIKE TO ZOOM?!

The BCA is currently conducting meetings via the Zoom app and always looking for some more faces to fill up those screens—and help with the events that can be held with social distancing. If you are interested, contact **bcamike1@gmail.com**. We provide full training and promise a lot of fun!

SOCIAL DISTANCING AND DUES

To comply with social distancing recommendations, the BCA will not be conducting its yearly dues collection door to door. SAFETY TIPS

It can not be stressed enough to remember to lock your vehicles and homes. Last month, multiple vehicles were stolen in the Towns of Clay and Salina. One of the thieves was apprehended in a garage off of Bayberry Circle and entered through an unlocked garage door. All the vehicles stolen were unlocked with the keys in them, or garage door openers which allowed the thieves to gain access into the homes to find keys to steal the vehicles. There were reports that other vehicles had been rifled through and personal items stolen. The NYS Troopers, Onondaga County Sheriff's Department and Liverpool Police Department worked together, capturing these unwanted individuals and we thank you for keeping the streets of Bayberry safe.

If you witness someone who is going through yours or a neighbor's vehicle, trying to enter a home or stealing packages, call 911 immediately and report it. Even if no one is caught, at least there is an electronic trail of the areas being hit. This will not be tolerated in Bayberry. There are Neighborhood Watch signs all throughout Bayberry, remember WE are all the Neighborhood Watch.

A tip from the Sheriff's Department is to hit the lock button on your key fob after you brush your teeth before going to bed. If you have a surveillance camera on your home and capture someone going into your vehicle, please share it on the NextDoor Bayberry App, Bayberry Facebook, Instagram and Twitter accounts.

Brush Collection

The Town of Clay Brush Collection began on March 17 and will continue every Tuesday until December 8. Brush includes leaves, grass clippings, shrub cuttings, small branches and twigs, and must be placed in rigid plastic or metal containers. Biodegradable lawn bags are acceptable, if kept dry and intact. Place all containers outside of road pavement and gutters so as not to obstruct traffic or block drainage. Plastic bags are not acceptable either inside or outside of any containers. For more information, visit: www.townofclay.org

BAYBERRY IS HOT!

Along with the very hot summer, the real estate market in Bayberry has been sizzling with homes being on the market only days and in some cases hours! With Covid social distancing rules in effect, our Welcoming Committee has not been able to meet new neighbors in person. If you have recently moved into the Bayberry Community...WELCOME!! If you could send an email to bcaexecboard@gmail.com, we can send you out a Welcome Packet. Thank you and we look forward to hearing from you.

Speaking of hot, please be courteous to your neighbors when using fire pits. For our wonderful four-legged pet owners, please remember to pick up after your pets. Thanks!

Many of us have a swimming pool in our backyards or have access to one. When Bayberry was first developed, inground and above ground pools were quite a luxury for homeowners to afford. A developer built the Bayberry Pool/Swim Club on property currently known as Orangewood Drive. To take a look and see how residents used to cool off, go to the Liverpool Public Library website to see that and other interesting facts about the early days of Bayberry (https://archive.org/details/Bayberry_262396674_3317).
