## VETERANS SPOTLIGHT

Attention all Veterans: The BCA would like to honor you and provide you with useful information. This new feature is open to ideas, but we would like to start with spotlighting Veterans who live in the neighborhoods of the BCA. We will also provide useful information on the many benefits Veterans have earned and how to take advantage of those benefits. For example, did you know Veterans receive a discount at Lowe's?

Please contact Debbie Magaro-Dolan at **dmd26@verizon.net** for more info, to provide input, and to suggest a veteran to be spotlighted.

## TOWN AFFAIRS

Check Town of Clay website for COVID-19 testing kit information; the town has kits available from time to time.

As we move closer to spring, winter damage to our roads becomes more evident. The Highway Department, in addition to plowing and treating roads for winter, will transition into road repair soon. If any potholes and/or heaved pavement is evident, please let the department know about it.

There was a misprint on 2022 County/Town tax bills. The "General fire prot" portion stated an increase of 946.4 percent from last year. Upon contacting the town, the actual dollar amount on the bills was correct.

# SPONSOR HIGHLIGHT

Since 1973 we have served greater Onondaga County, including Syracuse, NY, Baldwinsville, NY, Brewerton, NY, Camillus, NY, Chittenango, NY, Cicero, NY, Clay, NY, DeWitt, NY, Fayetteville, NY, Galeville, NY, Geddes, NY, Liverpool, NY, Lyncourt, NY, Lysander, NY, Manlius, NY Onondaga, NY, Skaneateles, NY, Solvay, NY, and others.

Custom Quality Contractors, Inc. was founded in 1973 by Michael Waters. When Mike started his roofing company, it was a sole proprietorship. In reality, a truck, a ladder, and an unwavering belief that quality is number one. To that end, he founded his roofing company with the customer in mind. Soon, Mike gained a reputation as an honest roofing contractor who would always take the time to sit with his customers and review the condition of their roof, needed repairs, and explain the options. In short, Mike believed in honesty and professionalism above all else.

Mike had just one motto: "No Salesmen, No Gimmicks, No Big Ads. Just the highest-quality roofing in Syracuse, NY". Fifty years later, that is still our core value.

Afterward, our roofing company was incorporated as Custom Quality Construction, inc. in 1975.

Later, in 1998, we became the first roofing company in the region to achieve the Select ShingleMaster certification.

In order to give our customers the very best, we continue to grow and evolve. Similarly, we restructured our business model to enhance and expand the roofing, siding, gutter, and other home improvement services we offered in 2011. Most importantly, the same highly trained workforce of construction professions, known and trusted since 1973, is at the core of our company. So our name is now Custom Quality Contractors, Inc.

## Local Syracuse, NY Roofing Contractors since 1973.

**Overall, there are well over 5,000 homes in Onondaga County with a Custom Quality Contractors' roof.  
We are a top-rated roofing contractor with the most experienced workforce.**

# WINTER REMINDERS

Winter street parking – No parking 12am to 8am, November 1, 2021 through April 1, 2022.

Reminder – garbage/recycling receptacles should be removed from curb/road-side in a timely manner. This keeps them from blowing into the road and snow-plows from hitting them.

Do not shovel, blow, or plow snow into roads. If a water hydrant is on/near your property and you are able, please shovel snow from around it.

If there is a fire hydrant on your property, keep snow shoveled away from it. Doing so can save time if fire departments need access to the hydrant.
