APRIL IS

NATIONAL VOLUNTEER MONTH

April recognizes all those who give their time and energy during National Volunteer Month. In the United States, volunteerism is instilled at a young age. In many parts of the country, it is the cornerstone of summer vacation or woven into after school programs. Most organizations in small towns, rural counties and the largest cities would not function without volunteers. In some families, the baton of volunteerism is handed down generation after generation.

Rural fire and ambulance departments remain staffed due to the efforts of volunteers. The underprivileged receive much needed medical care thanks to volunteers. Long overdue repairs and upgrades are made to a senior women's home thanks to an organization's annual call for donations and skilled workers. A woman answers a call on a suicide hotline because she cared enough to give up a few hours to train and listen to someone desperate and alone. A team sets up tables at a soup kitchen every week. Another group delivers meals to men and women who can no longer cook for themselves. Boys and girls sell ice cream sandwiches during a fair to raise money for a homeless shelter.

HOW TO OBSERVE NATIONAL VOLUNTEER MONTH

- Thank a volunteer.
- Volunteer! Many volunteers will tell you it is a rewarding experience.
- You don't have to have a ton of time.
- Do you have a special talent or skill that may benefit a charity or organization? Offer your services or ask how you can be of help.
- Use #NationalVolunteerMonth to share on social media.
