ROAD SAFETY

With improving weather, crews may be working on potholes, cleaning roadways, etc. Please pay extra attention for those working. Similarly, be aware more people could be walking, biking, etc. If walking at night, wear reflective clothing, a light, etc. If biking at night, riders are required to have lights on bikes. Walkers should typically move facing traffic; if walking in a group, try to go single file to not get in the way of vehicles. Bikes should flow with traffic, alert pedestrians with a bell or calling out "Passing on..." side bicyclist is on.
