Other items:

- Kyle pointed out discrepancy between scholarship posting amount and budgeted amount, should be \$250. Jordan will contact Kristine to make revision to posting.
- Discussion related to solicitors for third-party energy saving programs. Mary stated someone came to her door about one of the programs. Kyle stated he enrolled in one such program, and it appears to be legitimate. BCA could post message urging residents to take caution and verify any such programs.
- Discussion about whether to continue agreement with Mike Banks and Moxy sponsorship. Some years ago Mike Banks proposed his ownership of the BCA web domain in exchange from four years of sponsorship. Jordan will contact Mike about his interest.

Community mailer – This item will be delivered door-to-door. About 1600 copies, black and white. Dimensions of 11x17 inches will allow ample space for BCA information and any potential sponsor. Jordan will edit information further to fit tri-fold view in Microsoft Word. This content will then be forwarded to either/both Kristine Davoli and Shelley Adams. Jordan will email content to BCA members for suggestions. Debbie Countryman has plastic stands if possible for merchants to display flyer. Once content and design are finalized, we can check with printers (Plank Road, Vistaprint, Minuteman, Speedway, etc.) for pricing. Printer would also do folding.
